**White beer naturally cloudy** 5,5% vol.

The number 1 white beer in Germany and one of the most popular in the world. Naturally cloudy and velvety golden in the glass and under a strong head of foam.

**Original Munich light beer** 4,9% vol.

An extremely tasty beer: mild, elegantly malty, with a slight sweetness. And a quiet "Servus" from the hops in the aftertaste. The Bavarian way of life greets you.

**Munich dark beer** 5,0% vol.

Mahogany brown, full-bodied sparkling, with spicy roasted aromas and a hint of dark chocolate. Under the mocha-colored, fine-creamy head of foam pulsates with the very best barley malt. And the heart of Munich.

**Fürstenberg Pilsener type** 4,8% vol.

The Premium Pils brand under the umbrella of the Paulaner Group. Even with the first sip, it becomes clear that this beer is a brew master's choice: spicy, elegant, refreshing and brilliantly bright yellow.

**Hacker Pschorr Munic Cellar beer anno 1417** 5,5% vol.

An original beer like in the olden days: after four weeks of maturing, it is bottled unfiltered and contains as well as all the vitamins and trace elements of the yeast.

**Radler, Diesel, Russ, Weizenbier mit Tirola Kola, banana, passion fruit or cherry juice**

## The very special beer

Seasonal. Popular. And always sold out quickly.

"Original Munich Märzen Bier" 5,5% vol.

A really nice, amber-colored beer that not only looks good, but also tastes delicious.

With the first sip you experience a soft, sweet, tasty delight. It is malty, has a nice long finish that also suggests the mild hops.
